Jason Burton From Virginia

Jason Burton is not new to the Cup; he played here back in 2002 with this sister Sarah, and again as a solo artist in March 2007. Jason is returning to bless us with his music ministry as a solo guitarist and singer. If you saw him last time, or even if his ministry is new to you, you will want to be here for a wonderful time of song and praise to our Lord. This will be a great night...plan to come out!!!!

Ann Duval From Dubuque, Iowa

Ann Duval is returning to Josiah's Place, and we are excited to welcome her back. Ann started singing and playing piano in church when she was six and never stopped. As a teenager, Ann kept busy as an accompanist for choirs, soloists and instrumentals, touring extensively with bands, choirs, small groups and as a soloist. Her favorite experience was touring as a soloist with an evangelist and getting to lead younger teens to have a relationship with Jesus. That started a lifelong desire to speak the truth of God's Word through music. Ann shared with us last March on a Friday evening, and also led worship Sunday morning at Rock on the Rock 2007. We are very happy to have her back with us.

Isaiah 42:10 From Portage, WI

Isaiah 42:10 is becoming back a regular visitor here at the Cup. Isaiah 42:10 is not just a Christian band trying to entertain their audience:
"We want to serve God to our full potential. We are each called to be servants, to meet others' needs, to tell of the love that God has for the unsaved, and to touch and encourage the already saved. We take our ministry very seriously, giving our best to God in all we do. Our prayer is for the Holy Spirit to work through our music to touch people for Christ. As a ministry, we are more than music. At our concerts, expect us to talk openly about God's love, to pray over the sick, and to set the captives free!"

We have a lot of fun every time they are here. Come on out and join us as we praise the Lord!

Saved By Grace From Burlington/Milwaukee, WI

Saved By Grace Need we say more??? Our friends, Saved By Grace, have been playing and recording together for many years. The band is led by Joey Halbur who also owns a recording studio. Their Blues/Rock music is always a favorite here at Josiah's Place/Overflowing Cup. Saved by Grace is a Christian rhythm and blues band. Take one part Third Day and one part Blues Traveler, throw in some silly jokes and a powerful testimony, and you'll have a pretty good idea of what SBG is all about. It is always a rockin' good time when they are here. Plan on a night filled with, singing, dancing, (who can sit still during "David's Boogie?" ????) and just plain fun. Come on out and welcome our old friends back!! **Mission Statement of Saved By Grace:** *As a Christian band we are, first and foremost, Christians! The band is the tool by which we portray the Good News of the Gospel of Jesus Christ. We are entertaining, professional, and fun to watch BUT, if you walk away from an SBG show with nothing more than a deeper love for the Lord Jesus Christ we have achieved our prime directive! We will keep the audience up and having a great time with an energetic stage presence and a spectacular sound and light show but it's when we talk about Jesus that the true meaning of what we do and who we do it for shines through.*

Lisbeth Allen From Stoughton, WI

Lisbeth Allen, originally from Norway, is coming again to minister to us. Come and join us again for a wonderful evening of praise in song. She is a sincere disciple who wants to lift up the name of Jesus and let God receive glory as people worship Him with their spirit, mind, soul and body. In the spring of 2003 God put it in the heart of Lisbeth Allen to make a CD that would be a piece in rebuilding the Tabernacle of David here on earth - the Body of Christ coming together to worship God. Lisbeth will again share some familiar praise and worship music, as well as some of her original songs. This is a fantastic opportunity to praise and worship together! Check out her music and message at the website of her band, In His Presence.
