

DAVE BYERS

Dave began playing guitar in 1979 and put music to songs he was hearing in his head. He quickly began writing songs and played in many bands throughout the early years in club throughout the area. After committing his life to the Lord he began to play on worship teams as drummer, guitarist, keyboardist and, later, as worship leader. He has also penned a book called **"Songwriting Fundamentals"**, available for purchase. Strongly pro-veteran, he even has a CD dedicated to those who have served.

Dave plays a variety of Christian uplifting songs. Christian country, with a little country rock, praise and worship songs filtered with an enthusiastic delivery. Dave's goal is to connect and engage with people through music and to encourage them about the amazing love and grace the Lord has for us. Dave and his music will get your hands clapping, put a smile on your face, a song on your lips and praise in your heart, for our Lord Jesus!
