

HOUSE OF JESSE WORSHIP

House of Jesse Worship is a Family Worship Group based out of Milwaukee, WI.

HOJW is run by husband, Christian, and his wife, Abbigail. Christian and Abbigail started singing together in college where they both came back to Christ and began walking in faith together. The duo has sung at worship events, weddings, proposals, and currently serves at Epikos Church. Search "House of Jesse Worship" on YouTube, Facebook, and Instagram to get connected!

The picture on the left is from their exclusive mini-concert at Dwelling 222 where they amazed the audience with their harmonies, spirit of worship and down-home style of ministering. The picture on the right is from a wedding they were asked to perform at. Adept at leading contemporary worship, or bringing their own original music, House of Jesse Worship will not disappoint.
