

# **JOSHUA WHITEHEAD**

Born and reared in Elkhart, Indiana, Joshua's path to the stage has been an interesting one. Going to college, getting married, fathering a child, being a detective with a Sheriff's Department, with his band, "4 All Generations" he has toured with Cochren and Co., will be at One Fest in Chippewa Falls this summer, has produced his first EP ("Second Life"), on top of all that, he looks like Christ Tomlin, but his style, is all his own.

He loves leading worship and playing concerts to lift up the name of Jesus in churches, conferences, retreats, festivals, just about anywhere the Lord calls him. They strive to bring the heart of worship to others through their music and their walk.

His simple joy is found in singing for the Lord, being with his wife and his daughter.
