

SEEK 1st

We are SEEK 1st, a band located in Western Pennsylvania but have travelled the US, extensively. Our band consists of three brothers (Erick, Seth and Ethan Johnson).

We have opened for Riley Clemmons and 7th Day Slumber and are desirous of opening more avenues for us to share the music God has laid on our hearts. Our music can be described as contemporary with some rock thrown in for good measure and flair. Our main desire is to share our faith with the body of Christ and to see the body unified in worship, purpose and mission.

We will do our part to grow the Kingdom of God by impacting the world with our music, message and ministry. Come on out and worship the KING with us!
